# SUMMARY

The Web of the Internet is now a wonderful way to do background research on people. However the various Web sites that do these checks are fraught with attempts to trick you into spending more money than you had planned to spend!

# TOPICS

- "MYLIFE" IS INITIALLY FREE AND USEFUL BUT..
- ALL OF THE MAJOR BACKGROUND SITES DEMAND A SUBSCRIPTION SO..
- "INTELIUS" HAS NO "NO SUBSCRIPTION" OPTION BUT..

# "MYLIFE" IS USEFUL BUT IT IS FULL OF MISINFORMATION

- For free, you can create an account at [mylife.com](http://mylife.com) and put all sorts of misinformation in your "profile" page there.

"mylife.com" gives you a great way to be creative about your online identity!

Here are two examples:

# "MYLIFE" IS USEFUL BUT IT IS FULL OF MISINFORMATION (continued)

- So take the information at a "Mylife" profile with a big grain of salt!!

# ALL OF THE MAJOR BACKGROUND SEARCH SITES DEMAND A SUBSCRIPTION..

- .. you have two strategies for using them:
- Strategy 1: Get a month-to-month forever subscription, do your search and report on a person, then cancel the subscription as soon as possible
- Strategy 2: Use them for an initial free search only

# "INTELIUS" LETS YOU PAY BY THE INDIVIDUAL SEARCH BUT..

- "Intelius" is the only background check service (that we could find) that lets you pay by the individual search and report without requiring that you get a forever month-to-month or forever yearly subscription. (Email me if you find another one.)

# "INTELIUS" LETS YOU PAY BY THE INDIVIDUAL SEARCH BUT..

(continued)

- "Intelius" initially tries to trick you into signing up for a subscription with some tricky terminology
- Even after you pay for a single report on a person, they show you a second screen that tries to trick you into paying for a forever month-to-month subscription

### ORDER SUMMARY

Background Report \$49.95

**Total \$49.95**

# "INTELIUS" LETS YOU PAY BY THE INDIVIDUAL SEARCH BUT..

(continued)

- After I clicked on the "PayPal" button and paid for the report by means of the standardized "PayPal" checkout process at paypal.com, a second screen popped up and asked me to sign up for a forever, month-by-month account at Intelius which I immediately closed!!

# EACH "BACKGROUND CHECK" SERVICE FINDS DIFFERENT RESULTS..

- Like most other background search services, Intelius does not find foreign marriage licenses but I got lucky and find information on a foreign marriage license in an IRS court document:

# AN EXTENSIVE SEARCH IN "GOOGLE.COM" IS OFTEN BETTER FOR DIGGING UP DIRT ON AN INDIVIDUAL

- If you search on the various aliases and nicknames of an individual from inside an isolated virtual machine for safety, you can often find dirt on an individual that the paid background search services cannot and perhaps are unable to find.

# USE "SAVE TO PDF" OR "BULLZIP PDF PRINTER" TO GRAB ANY INFORMATION YOU FIND ON THE INTERNET

- If you find an interesting tidbit of information on the Internet, save it immediately to a PDF file since the information will be deleted by the time you need it for anything

USE "SAVE TO PDF" OR "BULLZIP  
PDF PRINTER" TO GRAB ANY  
INFORMATION YOU FIND ON THE  
INTERNET (continued)

- For example, most arrest records and mug shots disappear after about 30 days.
