

"nPerf" APP FOR ACCURATE CELLULAR COVERAGE MAPS

by Francis Chao

fchao2@yahoo.com

Web location for this
presentation:

<http://aztcs.org>

Then click on
"Meeting Notes"

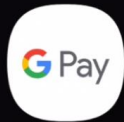

SUMMARY

Use the "nPerf" app or the nperf.com Web site in your cell phone or computer to determine which cellular carriers provide which ".G" of service in any point in the world.

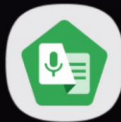

"nPerf" APP VERSUS WEB SITE

The "nPerf" app provides a sharper-looking map relative to access the nperf.com Web site in a Web browser
