SUMMARY

The "Replay Telecorder for Windows" can be used for recording sessions in Skype, Google Hangouts, or any other videoconferencing application.

"REPLAY TELERECORDER FOR WINDOWS"

- "Replay Telecorder for Windows" is also called "Replay Telecorder for Skype"
Both of these software programs are actually the same program so Applian's Web site is a bit deceptive about this.

\$29.95

Replay Telecorder for Windows

Replay Telecorder is the easy way to record video calls from sources like Skype, Google Hangouts or any other video conferencing application.
