

# WTG DEMO

by Francis Chao  
fchao2@yahoo.com

**Use the “Windows To Go  
Workspace” external hard drive to  
boot up a real, physical computer  
non-destructively with the free  
“Windows 8.1 Enterprise |**

**External  
1 TB  
USB 3  
hard  
drive**

**USB 3 cable**

**Francis' real  
laptop  
computer**
